The final budget for each beneficiary shall show for the overall Project the amount of the eligible expenses and the part of the Interreg IPA Cross-border Cooperation Programme funds allocated to all project beneficiaries. This determines the amount of funds that every project beneficiary must return if any, and it will be held accountable for the full amount of the IPA II funds to be repaid by each project beneficiary, should the MA decide to terminate the Subsidy Contract and demand repayment of all public expenditure paid to the project beneficiaries.

environmental law must be complied with when entering into contracts concerning actions or investments in the context of this Project. Any deviations from these provisions shall be deemed as void and null.

If such a case arises, the project beneficiary involved shall announce this in writing and provide evidence to the other project beneficiaries immediately. All events or circumstances not linked to the will of the project beneficiaries that impede the implementation of the agreement shall be deemed force majeure.

Article 21: Legal Succession

The fact that one of the parties does not acknowledge the application of one of the provisions of the present agreement does not mean that this party has the right to waive this provision.

Article 23: Lapse of Time

Legal proceedings concerning any issue ensuing from this agreement may be brought before the competent courts no later than three years after it occurs. In the event of legal proceedings concerning a claim to return funds, the three years period is calculated from the time the last transfer of IPA II funds took place.

Article 24: Domicile
