By clicking on "Print" key from the tool bar, the user has the option to print in pdf, doc and xls format:

5. He selects the "Previous Page" (KPrevious Page) key from the tool bar (menu) to return to the search menu.

If the User clicks on "Previous Page", the system displays the following warning message:

If the User enters data and does not wish to save them, he clicks on "Yes" to return to the search menu. Otherwise, he clicks on "No", saves, selects "Previous Page" and clicks on "Yes".

12. The Controller proceeds to the "Verification" of the Table of Expenditure in order to make it available to the Managing Authority for approval (see Section 1.4).
